The Olivetti Showroom in Augmentative Alternative Communication symbols

 The Olivetti Showroom	 is	 in	 Saint Mark Square	 in	 Venice.				
 This	 was	 the showroom	 of	 Adriano Olivetti.					
 Carlo Scarpa	 designed	 the Olivetti Showroom.							
 Carlo Scarpa	 was	 an architect.							
 Here	 people	 saw	 the calculating machines	 and	 typewriters				
 made	 in	 the factory	 of	 Adriano Olivetti.					
 A long	 time	 ago	 the Olivetti machines	 were	 used	 to write	 and	 calculate	 quickly.
