

**Il Giardino della Kolybethra
nella Comunicazione Aumentativa Alternativa**

Il Giardino della Kolymbethra

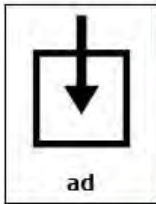

è

dentro

la Valle dei templi

ad

Agrigento.

Il Giardino della Kolymbethra

è stato

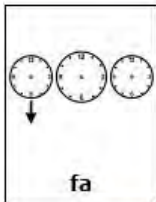

costruito

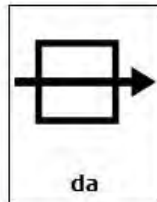

molto

tempo

fa

da

tante

persone

arrivate

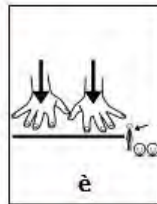

dalla

Grecia.

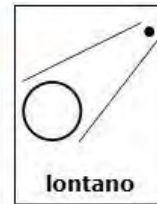

La Grecia

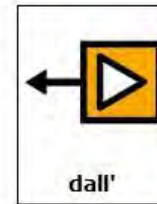

è

un paese

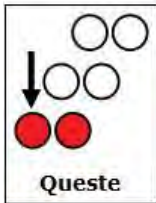

lontano

dall'

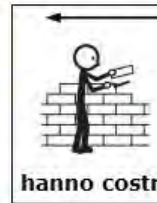

Italia.

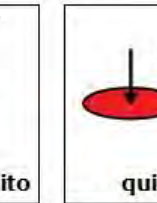

Queste

persone

hanno costruito

qui

tanti

palazzi,

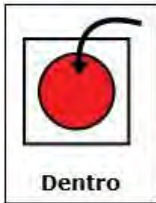

case

e

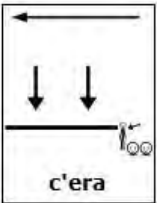

templi.

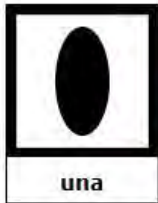

Dentro

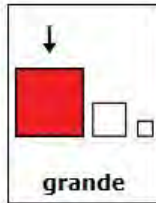

il Giardino della Kolymbethra

c'era

una

grande

vasca

piena

d'acqua.
