

This guide will help you visit the museum.

Property means thing of value.

FAI means Fondo Ambiente Italiano (National Trust for Italy).

FAI takes care of a number of Properties.

FAI Properties are villas, castles, woods and gardens.

This Property is called Villa Necchi Campiglio.

This Property is in Milan.

This guide explains:

- what you will see
- what you can do at the Villa
- how to ask for help.

We made this guide easy-to-read in order to help all the people visit the Villa.

This guide wants to help people learn new things.

In this guide you will find:

- the social narrative that helps you visit the Villa
- the explanation of the Villa
- the explanation of what you can see inside and outside the Villa
- a sensory map that shows you where you can touch, smell or listen to the music. On the same map the numbers show you where are the places you will see.
- the explanation of the Villa with symbols.
